

GMM H01BT

Bluetooth Smart Body Fat Scale Ultrasonic Height and Weight Machine (210cm)

SKU: GMMH01BTWH
Manufacture Warranty period: 12 months
Country of Origin: China

Description

Digital Height, Weight and BMI Scale with ultrasonic height measurement and body fat analyzer. Bluetooth Connect with AiLink APP to show 18 Body data.

**** Note:** For optimal measurement accuracy, place this lightweight scale on a hard, level surface. Avoid using on carpeted or uneven flooring, as this may affect weight and height readings.

Features

- Highly strain gauge sensors system
- Backlight LCD display
- Low battery / overload indication
- Auto on-step on for weight function
- Auto zero-Auto off
- Height measurement function
- Ultrasonic automatic sensing function
- **Body fat measuring and analyzing function**
- **Body water, muscle, bone, calories and BMI measurement**
- **Bluetooth function (AiLink APP) to show 18 Body Data**
- Voice alarm function
- Data record and check function

Certifications

- CE-EMC (2019SZ0220550)
- CE-LVD (Medical electrical equipment, 2019SZ0220550)

18 MEASUREMENT FUNCTIONS

More than you know about your health

Specification

Material:	ABS Plastic and Aluminium Rod
Low battery indication / Overload indication	
Weight capacity:	5 to 200kg
Division:	50g
Height measurement range:	80 to 210cm
Resolution:	0.5cm
Scale size:	44.8 x 34 x 222.5cm
LCD display:	102.5 x 67.5mm
Power:	4*AAA Batteries or AC Adapter

Voice broadcast function

The high definition real-time vocal broadcast feature at the bottom makes it easy to take measurements

01

Simple design base

Strong and perfect base

02

Power configuration

Two charging methods, one is to plug in directly and the other is to select the battery
